- Implications For You As A Manager

Process

Analysis of Organisational Context

The first stage of this course is an analysis of your organisation's business environment and requirements to ensure the course is targeted to meet your specific planning and financial requirements.

Workshop

The workshop consists of presentations, discussions and exercises and is supported by comprehensive session notes.

Post-Workshop

Each participant will be asked to complete a comprehensive plan that will be assessed by Jump Business Solutions against key criteria.

Duration:

2 days plus approx 16 hours assignment

Venue:

One large room to comfortably accommodate 15 people.
